MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 1 to Contract No. HF-4060 25X1A2g
with The Firewal Company, Project [REDACTED]

1. Contract No. HF-4060 provides for procurement of technical personnel to assist in installation, maintenance, repair and overhaul of personnel equipment for pilots used in support of the [REDACTED] program. 25X1A2g

25X1A12a

2. The Contractor has requested, and it has been concurred in [REDACTED] that the contract be amended to provide for reimbursement of reasonable cost of quarters and messing for contractor personnel, if no Government quarters and messing are provided, and if no per diem allowance in lieu of quarters and messing is paid directly to or for such personnel by the Government. This request is based on the Contractor's contention that in negotiating the contract with the [REDACTED] it inadvertently omitted this provision, but instead, erroneously included an item for board and lodging in its proposal which was intended to cover a separation allowance for its personnel. The amendment requested by the Contractor will result in the "quarters and messing" provision of Contract No. HF-4060 being consistent with the same provision in Contract No. ST-505 with this Contractor for project AQUATONE, and, therefore, the amendment is considered proper.

3. No additional funds are to be obligated under Contract No. HF-4060 by reason of Amendment No. 1.

4. Approval of Amendment No. 1 to Contract No. HF-4060 and execution thereof on behalf of the Agency by the authorized Project Contracting Officer is recommended.
